## Assembled coaxial cables

Tell us your application / installation. As a professional cable manufacturer, we will produce your desired cable quickly and in the highest quality. Special requirements can also be implemented.

We measure all cable assemblies before delivery. This quality characteristic is a result of the fact that SSB-Electronic GmbH is certified according to ISO9001 standard. Quality is very important to us – we live quality!

We keep what others promise. Take advantage of our Online Cable Configurator on [www.ssb-electronic.com](http://www.ssb-electronic.com) and order your desired cable assemblies quickly and easily. You can choose from different low loss coaxial cable types, coaxial connectors of all established standards and the optional bend protection.

### Your benefits:

- High quality coaxial cables, coaxial connectors of all established standards, bend protection
- Cable assemblies by professional staff
- Highly precise coaxial cable measurements before and after assembly
- Coaxial cable assembly made in Germany
- Detailed professional measurement reports
- Flexible and fast order processing

**SSB-Electronic stands for  
premium coaxial cables:  
we guarantee the highest  
quality of your cable assembly.**
